

BiC – Church History Biography

Each student will select one person from church history from the names listed below and complete a one page research paper on their life. The paper should be a very brief summary of that person's life and their impact on church history. You must reference at least one book and one website in the paper. You may reference these sources using footnotes as described below or just type the book title/author's name and URL address at the bottom of the paper. Your paper must be typed, double-spaced, have 1 inch margins, 12 pt. Times New Roman font, and include your name and the name of the person you have researched at the top. The paper must be turned in to Pastor Tyler by Sunday, October 25 but may also be submitted before then. Talk to PT with any questions or concerns. Some suggested resources: www.ccel.org; *Foxe's book of Martyrs*, DC Talk & Voice of the Martyr's *Jesus Freaks* books, CCC's library, the public library, a history teacher, or talk to PT, Pastor Randy, or another pastor.
