*Please note:* this is a general outline of the depth of commitment required in order to participate in the Bible Instruction Course. As always these expectations will be enforced with grace in regard to extenuating circumstances. However if a student fails to complete the requirements they will be asked to withdraw from the course and take it at the next available opportunity. Participants will be reminded of their number of absences and their level of progress. I will be generous with deadlines when necessary and a limited number of opportunities to re-take exams (if necessary) will also be provided.

By signing below I/we acknowledge that I/we understand the expectations and requirements of the Bible Instruction Course (BiC) at Christ Community Church and wish to complete the course according to these requirements under the shepherding and supervision of Pastor Tyler and the people of Christ Community Church.
